“ We'll miss spending time at the lake with Dee! She was usually the first one to catch a fish, knew how to clean the fish, cook the fish (delicious!), and share the fish with whoever was there. Our love and prayers for Leo and the family.

“ Growing up, Uncle Leo was always a trickster, joked around & made us laugh. When I met Dee, I knew he had found his match in the joking department but also found his mate. I'm not certain I've known a couple more perfectly suited to one another. Even in this sorrowful time, I'm so glad to have witnessed their lives & love. My sincere sympathies to Leo & all of Dee's family for this tremendous loss.

“ My deepest sympathy to Dee's family. Cindy, my heart aches for you.

I so clearly remember how I used to hang out at your house and tag along to the movies, Taco Shop or the pancake restaurant. Your mom always included me. And she was understanding and fair when we got into trouble. You could always talk to Dee about anything. I'm grateful for having her in my life and cherish these memories.

Love, Kathy
