“ Our Deepest Condolences to Vivian and extended family. I met Eddie as a Postmaster, I served in as Postmaster in Valley City, ND. We went to quite a few PM sessions together; Ed always knew the best places to eat. While at a training session in Watertown, SD, Eddie recommended the STEAK and Buffet eatery. It was great, I had my fill, and I'm a pretty big boy; I sat and watched my buddy eat his salad, potatoes, and 9 (nine) steaks. I almost got sick when he was picked out two desserts. He was a true story-teller, and I witnessed some of the best. I wish I had known he was in Rosewood, My wife gets her hair done their every couple of months, I could have visited with him.
Our Deepest Sympathy, we lost a good man.

“ My condolences to the family. Ed was always entertaining to be around. I could always count on seeing him at Stan and Mary's Christmas Parties with his slippers on, telling stories of his college days, and always laughing happily. Wonderful man.
