“ Jim was fun to work with and always had a great way of looking at life's issues every one faces. Always enjoyed visiting with him. RIP Jim you will be missed.

“ Worked as a BNSF Locomotive Engineer at the Dilworth terminal for many years. Knew Jim as a nice guy and very good yardmaster. Never got overly excited and was great to work with. Gone way too early. RIP Jim and say hello to my brother who just passed away on the 8 of this Oct. Sure you can tell him about how great I was to work with. RIGHT. Eng. J.C. Duphorn
